

ANNUAL REPORT

2014-2015

THIS IS OUR FOUNDATION

The Foundation for Springfield Public Schools has a 24 year tradition of serving the Springfield community by providing ongoing resources for academic success. When dedicated volunteers realized the great need that our students had in our district, the troops rallied and the Foundation for Springfield Public Schools was born. Twenty four years later volunteers are still dedicated to making a difference. Donors continue to make amazing opportunities possible for nearly 25,000 students each and every day.

Today, the Foundation is governed by a 21-person board of directors and employs three full time staff members. District administrators, leaders and principals work closely with the Foundation to ensure the very best use of resources. The Foundation manages over \$5 million in funds and scholarships that serve students, schools and teachers in a variety of ways; and will continue to do so for many years to come. As the 2014-2015 year came to an end it became apparent the best is truly yet to come for Springfield Public Schools!

OUR THANKS

Dear Foundation Supporters,

Another successful year for our schools has passed and we've seen many changes implemented and additional choice programs beginning to take shape across the district. It has truly been an exciting time for our teachers and students! Through exceptional community support and the generosity of our donors, the Foundation is able to promote educational excellence for every child throughout the public school system each year. The Foundation is proud to support the nearly 25,000 students who attend Springfield Public Schools.

Our donors realize the importance of public education to our community, and help to provide meaningful educational experiences for our students through their support. Our Back to School grant cycle and Pick a Project grants are excellent ways for supporting our classrooms with innovative equipment, technology, and curriculum. Donors can choose to designate exactly where their money is used and every dollar makes a tangible difference for our students and it is through that support that the Foundation is able to provide curriculum, resources, tools, and innovations that are changing our classrooms, and making a major impact on our students.

The employees of Springfield Public Schools have stepped up over the last three years and supported our Foundation through the Pay It Forward Charitable Giving Campaign in a very significant way. Last year alone, \$28,000 dollars were designated to the Foundation through this campaign from Springfield Public Schools Employees. It is only through outstanding support such as this, that we are able to help provide additional educational opportunities for students. The Foundation was also privileged to award nearly \$1.2 million dollars in grants and scholarships to classrooms, students and district initiatives last school year. Offering additional support to our students by helping families establish meaningful legacies through scholarship opportunities in honor or memory of loved ones is at the heart of what we do. Planned gifts are an excellent way to support our schools, and the Foundation is fortunate to have donors who have remembered us in their estate plans.

We are always looking for how we can improve and grow our programs. Our staff is appreciative of our Board of Directors and supporters who offer guidance and are invested in helping our public schools. Through working together, we can invest in future generations of business and community leaders by investing in the students of Springfield Public Schools.

Thank you for your ongoing support,

Natalie Murdock, Executive Director

Bottom Photo: Emergency Preparedness Initiative Check Presentation

In July, 2014 the Foundation partnered with local grocery store Price Cutter to raise funds through Dollar Days to support the Back to School program!

In September 2014, the Foundation awarded over \$300,000 through Back to School grants to benefit teachers, principals and students across the district.

At the annual Donor Appreciation Luncheon the Foundation recognized its second Advocate for Education, Mr. Mike White.

On October 3, the Foundation hosted the Sip & Shop Champagne Brunch, Silent Auction & Fashion Show with 417 Magazine raising over \$20,000!

In April the Foundation held the 22nd annual Teacher Appreciation Banquet raising over \$80,000 and honoring teachers and principals in our district.

In May we awarded our annual scholarship awards to our graduating seniors totaling nearly \$143,000

The Emergency Preparedness Initiative put \$100,000 back into our schools last year to provide emergency backpacks for every classroom in the district.

OUR BOARD, OUR FOUNDATION

The Foundation for Springfield Public Schools was founded in 1990 by a dedicated group of volunteers. In the first years of the Foundation its sole purpose was to serve as a way for community members and businesses to financially support our public schools system, bridging the gap between actual funding available to schools and the unmet needs of our classrooms. For over 20 years, the Foundation has continued to grow with the mission of raising, managing and distributing private investment to benefit the students of Springfield Public Schools.

Through programs like Telethon for Technology which made a major impact on classroom technology in the '90's, the Foundation has been responsible for awarding over \$15 million to benefit Springfield Public Schools. That number continues to grow each year as the Foundation continues to grow and support schools. New programs, such as Pick-a-Project, help teachers seek help through crowd-funding. And, the Back to School grant and scholarship program provide financial support to students and teachers each year.

The Foundation is led by a 21-person board of directors who oversee the Foundation's goals and objectives.

PROJECTS & INITIATIVES

The Pay it Forward Employee Campaign is a collaborative effort with the United Way of the Ozarks to raise funds from teachers and staff of Springfield Public Schools. Through this program employees have the opportunity to support both agencies. The campaign runs through the month of October each year and in October of 2014, the campaign raised \$68,345 with \$28,000 designated to the Foundation for Springfield Public Schools.

Give Ozarks Day

The Foundation for Springfield Public Schools participated in the first annual Give Ozarks Day on May 5, 2015. Give Ozarks is a one-day, online fundraising event for Agency Partners of the Community Foundation of the Ozarks. The FSPS was one of 150 non-profits to participate and \$2,585 was raised for the Foundation.

Alumni Program

The Foundation for Springfield Public Schools "Alumni Connection," aims to keep SPS graduates up-to-date on projects and news happening at their alma maters. The Alumni Connection e-news letter goes out two times per year. The alumni program also includes an online way to update your contact information. To update your information or learn more visit www.supportSPS.org/alumni.

Gallons For Growth

On March 5, 2015 the Foundation for Springfield Public Schools raised \$3,930 for the Foundation's programs. During the 24 hour fundraiser, Kum & Go donated 3 cents per gallon of gas sold.
