

ANNUAL
REPORT

2018

FOUNDATION *for* SPRINGFIELD
PUBLIC SCHOOLS

WHY YOU MATTER

The support of hundreds of individuals and businesses in our community and abroad make the Foundation for Springfield Public Schools (FSPS) successful.

Together, your financial contributions, your time and your commitment provide resources that allow students to explore the world around them and have opportunities available in their classrooms. With over 50% of students in Springfield Public Schools living in poverty, there is a great need to bridge the gap and provide academic resources for all of our schools. Because of you, our students are given the opportunity to shine.

Thank you!

#1

Ranked public school foundation in its division in the most recent nationwide study “Stepping Up: The Nation’s Top K-12 Education Foundations”

\$18,000,000

Dollars awarded to Springfield Public Schools since 1990

WHY WE MATTER

The FSPS opened its doors in 1990. In those first days and the years since connections were made that have filled countless needs in our schools and have spurred innovation throughout the district. The FSPS continues to provide additional needs for our teachers and schools, allowing them to explore new ways to reach their students in and out of the classrooms.

In the most recent nationwide study of the top performing education foundations in the country, the “Stepping Up” study, the FSPS ranked in the Top 25. The FSPS was also ranked number one in its division.

ABOUT OUR PROGRAMS

The FSPS provides support through grants and scholarships. Today we manage over \$5 million dollars that provide immediate and long-term support for additional needs throughout the district. In addition to the 138 different scholarships and endowment funds we manage, the FSPS has two grant programs that provide support for a variety of school needs.

Back to School

In 2017-2018 over \$246,000 was awarded through the Back to School program which provides support to schools for classroom projects, student experience grants, modern learning environment grants and community engagement grants.

Pick-a-Project

Pick-a-Project is the Foundation's online crowd-funding platform. In 2017-2018, \$14,062 was raised and 28 projects were supported through this program.

138

Funds and Scholarships
Managed

\$719,828

Schools and Learning Facilities

ABOUT OUR SCHOOLS

Springfield Public Schools (SPS) is Missouri's largest school district, representing 25,000 students and nearly 4,000 employees. SPS has built a reputation of academic excellence rooted in the belief that the learning experience should be engaging, relevant and personal – for every learner, every day. In addition to traditional learning environments across 36 elementary schools, an intermediate school, nine middle schools, five high schools, a center for gifted education and three early childhood centers, SPS collaborates with community partners to offer more than a dozen choice programs that meet the diverse needs of each student and their community. For more information, visit www.sps.org

WHY WE CELEBRATE

The FSPS has a lot to celebrate! Our 2018 Teacher Appreciation Banquet was a celebration of education with approximately 800 SPS educators and community members attending. Over 125 donors were honored at our 2018 Donor Appreciation Luncheon. We also recognized our Advocates for Education - the Schneider Family Foundation, and our Corporate Partner of the Year - Bass Pro Shops.

We provided 124 students with scholarships to support their continued educations. We recognized five outstanding reading teachers through the Annual Turner Family Awards for Excellence in Teaching Reading.

2018 Turner Reading Award Recipients:

- Krista Perez, Watkins
- Heather Caster, Fremont
- Stalena Snyder, Holland
- Kyle Wallace, Central
- Laura Snelson, Sequiota

And, we named another Linda Luke Librarian of the Year, Terieca Branson.

Our annual Gallons for Growth event with Kum & Go raised \$7,030 to support the Back to School program.

We appreciate and celebrate our donors, our teachers and our students!

Teacher Appreciation Banquet

2018 Teacher of the Year Special Education
Teacher Jean Lawson from Truman Elementary.

Advocate for Education
