

# 2020 ANNUAL REPORT

FOUNDATION *for* SPRINGFIELD  
PUBLIC SCHOOLS

# MISSION & VISION

The mission of the Foundation for Springfield Public Schools is to raise, manage and distribute private investment to benefit the students of Springfield Public Schools.

Our vision is to promote educational excellence for every child by working with the community and the school system.

# A NOTE FROM EXECUTIVE DIRECTOR, NATALIE MURDOCK

As we close the books on an unforgettable, and rather difficult year for so many, I am reminded of the bright light of 2020...you! You gave support when needed. You stepped up to the plate when it came to providing much-needed resources for our students. The COVID-19 pandemic hit each of us differently. The same is true for students, families and educators. When I think about all of the good the Foundation for Springfield Public Schools has done over the course of 12 months, I am proud and thankful!

In March, students left for spring break, not to return again until August. The Foundation's annual Teacher Appreciation Banquet, this year, coined the Celebrate SPS event, was postponed until August, and converted to a virtual event. While we still took the opportunity to celebrate our schools, staff, donors and community partners, it certainly looked different.

As our Back to School grant applications started rolling in, decisions about the fate of the upcoming school year had yet to be made. But the teachers, counselors, coaches and support staff of Springfield Public Schools never slowed down and never stopped seeking ways to support their students in the classroom. When grants were awarded in September dreams still came true!

I don't know what the upcoming year will hold for our schools or our community. The one thing I know is that there will be bright lights in it all, because of you and your continued support!

Thank you for making the Foundation for Springfield Public Schools a part of your journey, thank you for being a part of ours!

Sincerely,

Natalie Murdock  
Executive Director

# A NOTE FROM SUPERINTENDENT DR. JOHN JUNGSMANN

Dear Friends:

The start of each school year is a new experience for incoming kindergarteners. The 2020-2021 school year, however, has been a new experience for all of us. In addition to our role as educators, we have become builders. We have new skills for educating students, for connecting with them, and for supporting them through a pandemic that is unprecedented in modern times.

It is inspiring to see what a group of individuals can achieve together during a challenging time. Wearing hard hats and tool belts, we have constructed different learning opportunities. We have been building together all year - on behalf of every learner, every day.

By graciously giving of your time and resources, you have provided the necessary foundation to keep building. Because of generous supporters like you, our teachers have been able to design and frame an educational experience that serves the needs of our students.

Your donation is more than the value of the items it purchases or the experiences it provides. It is a statement that you believe in and support public education. It is a tangible expression of your commitment to the next generation of builders, equipping them to improve our community. This year, more than any other, your donation has confirmed that the challenges faced and sacrifices made have not gone unnoticed. Because of you, so many students, teachers, support staff and leaders feel sheltered, supported, understood and appreciated.

This year will be remembered for its uncertainty. It would have been easy to do less, instead, you stepped up when our students and staff needed you most. I will always be grateful.

Thank you for building with us at SPS. We appreciate your generosity and support.

Sincerely,

John Jungsmann, Ed.D.  
Superintendent, Springfield Public Schools

# 2019-2020 BACK TO SCHOOL

Back to School Grant Delivery Day is Christmas in September for the Foundation and Springfield Public Schools! Educators across the district wait anxiously for visitors to appear with joyous news!

The Foundation awarded \$243,407 through the Back to School Grant program supporting educators and classrooms across the district. The FSPS funded *113 grants* in the areas of classroom projects, student experience, modern learning environment, and community engagement.

The Back to School grant program encourages educators across the district to submit innovative and creative projects for their students.

# CELEBRATE SPS

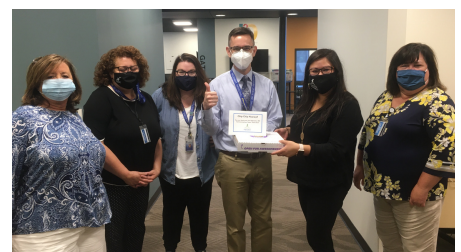

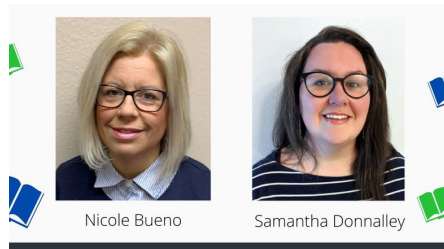

Our annual Celebrate SPS Teacher Appreciation Banquet switched to a weeklong virtual event celebrating public educators and our district.

Our emcee for the main portion of the celebration was The Mystery Hour's Jeff Houghton! The video can be found on the Foundation for SPS YouTube Channel.

Recognitions included:

- Linda Luke Librarians of the Year: Nicole Bueno & Samantha Donnalley
- Turner Reading Awards
- Malori McGee Rookie of the Year Award
- Springfield Public Schools Communications Department
- Keynote speaker, Courtney Dameron from Hillcrest High School

| CELEBRATE SPS

# LUNCH & LEARN

The Foundation for Springfield Public Schools' Lunch & Learn series continued to showcase programs and initiatives in Springfield Public Schools.

Lunch & Learns were held quarterly. This year, we learned more about:

- Launch
- Springfield Public Schools Special Education Services
- Diversity & Inclusion in Springfield Public Schools
  - Featuring Equity & Diversity Officer Yvania Garcia-Pusateri

## 2019 Series Sponsor:

# SCHOLARSHIPS & NEW FUNDS

The Foundation for SPS manages approximately 150 funds and scholarships that provide resources to students and Springfield Public Schools.

In May of 2020, the Foundation for SPS awarded \$109,800 in scholarships for students to continue their education beyond high school.

This year, three new funds were opened at the Foundation for SPS. These funds were established to help provide resources for students to promote educational excellence.

## FARM TO SCHOOL

This fund supports Springfield Public Schools' effort to integrate food, agriculture, and nutrition-based education efforts in garden-based learning, trips to farms, and cooking classes. The district operates approximately 20 school gardens in elementary, middle, and high schools, plus a community garden. At many of the school gardens are tunnels, heated greenhouses, and hydroponic Tower Gardens. These sites provide the students with a diverse system of

growing and learning opportunities. Several of the school garden sites also house outdoor classrooms; here our teachers are able to provide Garden Ecology, Natural Resource, and Composting classes. SPS conducts field trips for elementary school children to learn about food, agriculture, and nutrition. Trips to Baker Creek Heirloom Seed Company, College of the Ozarks, and Fassnacht Creek Farm gave the students opportunities to visit production gardens, a grain mill, a fruitcake and jelly kitchen, and a dairy farm. They also have had the experiences of where and how to plant crops to produce healthy food.

Farm to School is supported by:

**DARR FAMILY  
FOUNDATION**

# ALEX HOLDEN MEMORIAL FUND

Alex Holden was born and raised in Springfield, MO. He attended Rountree Elementary, Jarrett Middle School, and Parkview High School. Alex was active in band, baseball, soccer, tennis, track, DECA, Parkview's student cabinet, and debate. He was the captain of his soccer team at Parkview, 2nd in the nation for debate, and state champion as well as internationalist finalist in DECA.

Alex passed away in January of 2020. One way that his family wanted to honor him was through establishing the Alex Holden Memorial Fund. The fund honors his memory and provides support to students of Rountree Elementary and Parkview High School Debate team. Calie Holden, Alex's sister, said, "When trying to think of a way that Alex would want to give back to the community, education and opportunity were two of his biggest passions. Growing up, he had the fortune of going to strong schools, each of which shaped him in a distinct way."

The Holden family believes education is key to the strength of a community. "The strength of any community starts with its schools. Springfield is lucky to have such a strong district through Springfield Public Schools. The Foundation for Springfield Public Schools is critical to providing resources and scholarships that allow SPS to continue to be one of the best districts in the state of Missouri."

# NOVA L. MRAD SCHOLARSHIP

Nova L. Mrad was a teacher at Central High School for 20 years. She taught a variety of courses across all levels of ability including the middle-years scholars and IB students. She had a gift for challenging and supporting students to build their self-esteem and skills. Her students always knew she was "no nonsense," but cared deeply for them, firm but fair.

Nova retired in 2012, but continued to help as a volunteer for a few years when her oldest grandson was a Central student. She also enjoyed hosting pasta parties for his Central swim team. She continued to devote her physical and intellectual energy to some of her passions, like grandchildren, cooking, gardening, and genealogy. In 2016, she was diagnosed with ALS. In December 2019, her family established the Nova Mrad Scholarship at Central High School as a Christmas present for her. She was so thrilled and proud of the scholarship by which she would continue helping Central students into the foreseeable future. She had been especially fond of the A+ program, because it provided most of her students an avenue for higher education if they committed themselves, worked hard, maintained good citizenship, and attendance, even if they lacked other resources.

Her scholarship, which is needs based, is available for one Central graduate per year who has qualified for the A+ scholarship and who has demonstrated the kindness and caring for others that Nova promoted. It will supplement the assistance provided to them by the A+ scholarship.

# ADVOCATE FOR EDUCATION

**Mr. John Dickey**  
Class of 1945  
Central High School

The Advocate for Education is an individual who exemplifies giving mentality by demonstrating a commitment to educational excellence in Springfield Public Schools and the community at large. John Dickey is a graduate from Central High School, class of 2013 inductee to Springfield Public Schools Hall of Fame and started an endowed scholarship with the Foundation for Springfield Public Schools to provide an opportunity to graduating seniors from Central to continue their education.

## CORPORATE PARTNER OF THE YEAR

The Corporate Partner of the Year is an organization that has provided significant financial support to the Foundation for Springfield Public Schools, Springfield Public Schools and have made a time commitment of significant impact. Central Bank of the Ozarks has been a supporter of the Foundation for Springfield Public Schools since our inception, supporter of the Healthy Places to Play initiative and strong partner in education with the district.

**Andrew Tasset**  
Vice President, Marketing Manager
