

2021

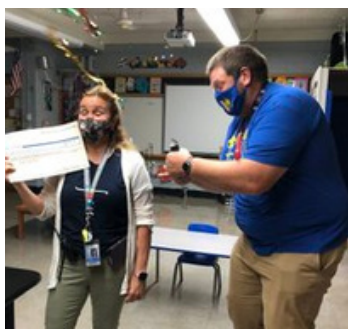

ANNUAL REPORT

MISSION & VISION

The mission of the Foundation for Springfield Public Schools is to raise, manage, and distribute private investment to benefit the students of Springfield Public Schools.

Our vision is to promote educational excellence for every child by working with the community and the school system.

A MESSAGE FROM EXECUTIVE DIRECTOR NATALIE MURDOCK

I have always believed that working in philanthropy is one of the most rewarding jobs around. This year only solidified my belief. In the face of challenges and so much uncertainty, there was one thing I could count on and that was the generosity of our donors. There are so many amazing things that happen in our school district because of you. Each time you make the decision to contribute to our Foundation, you make a decision that helps our students and teachers at a grass roots level. You are making a difference in a classroom, a library, on a playground or in a counselors office. You are making a difference in a child's life!

Public education in Springfield, and across the country faced a lot of challenges this year. With your support, the Foundation for SPS met many of those challenges and supported countless needs.

- Over \$1.1 million was awarded to support students.
- Over 115 graduating seniors across the district received scholarships to support their future educations.
- Students at Fulbright Early Childhood Center planted and harvested their first garden.
- Students at Westport Middle School had the opportunity to learn about podcasting, digital literacy and audio production in their library.
- Active Classroom training was deployed and used by teachers at schools across the district, and are still being utilized today.

The list could go on and on. Learning does not stop. Needs do not go away. The future is unknown. What I know, is that with your support, the Foundation for SPS will continue to meet these needs. We will continue to make resources available. We will continue to support teachers. We will continue to build partnerships. We will continue to be a light in this community, with your help!

Sincerely,

Natalie Murdock
Executive Director

A MESSAGE FROM SUPERINTENDENT DR. GRENITA LATHAN

Dear friends,

Since arriving to my new hometown of Springfield, I have encountered many pleasant surprises. The dedication of the Foundation for Springfield Public Schools and their team of donors and how they provide for the needs of our 24,500 students definitely tops that list.

The past couple of years have been challenging for all of us. At no other time in my 30 years in education have our students, parents, staff and community had to adapt more. Your work giving back and supporting public education has never wavered. You have consistently joined us in our focus to keep growing, resulting in being able to better meet the needs of those we serve.

Your generosity is seen in our classrooms in tangible ways as well as in the memories of our students and staff thanks to the experiences you make possible.

While there is no way I can adequately express my appreciation, I would like to just simply say, thank you for making a difference in the lives of students and teachers every day.

I look forward to the things we will accomplish together.

Sincerely,

Dr. Grenita Lathan
Superintendent
Springfield Public Schools

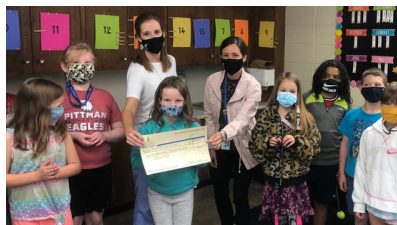

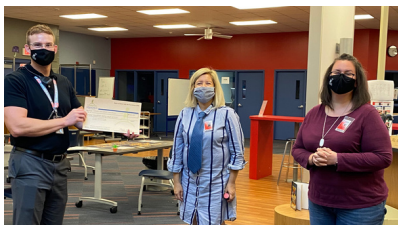

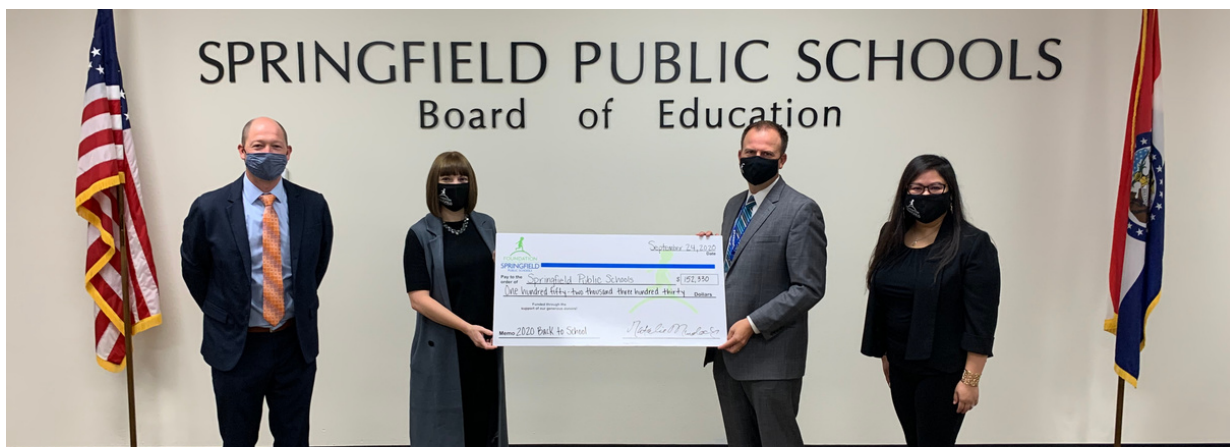

2020-2021 BACK TO SCHOOL GRANT PROGRAM

Christmas in September looked a little different in 2021 for SPS during the pandemic. However, educators were still thrilled to receive support for projects across the district.

The FSPS awarded \$152,330 through the Back to School Grant Program. FSPS volunteers and donors were not able to deliver the joyous news to grant recipients due to COVID-19 safety protocols in SPS. Our district leaders and principals stepped in to help by delivering grant checks to recipients. They enlisted the support of students and surprised the recipients with confetti poppers at their doors.

The Back to School Grant Program is made possible by the generous donations from community members, businesses and individuals in Springfield.

CELEBRATE SPS

The FSPS hosted our annual Celebrate SPS Banquet, hybrid edition. Although we were not able to be 100% in person, we were still able to celebrate SPS!

Virtual watch parties were hosted by principals and department heads across the district for their site to partake in celebrations from a distance.

Recognitions included:

- Linda Luke Librarian of the Year- Angela Buis
- Rookie of the Year- Lizzie LaLonde
- Advocate for Education- Dr. Tom Prater
- Corporate Partner of the Year- Kum & Go
- Teacher of the Year Nominees- Cary Sikes, Teri Schaffitzel, Amanda Adams, Melanie Donnell & Bob Lynch
- & the 2021-2022 Teacher of the Year- Amanda Adams!

Donor Awards

ADVOCATE FOR EDUCATION

The Advocate for Education is an individual who exemplifies the giving mentality by demonstrating a commitment to educational excellence in Springfield Public Schools. Dr. Tom Prater is a past-president of the Foundation board of directors. He is a past president of the Springfield Public Schools Board of Education. He is a member of the SPS Hall of Fame. And, he is a life-long supporter of public education, through his gifts, with his time and from his heart.

Dr. Tom Prater

CORPORATE PARTNER OF THE YEAR

The Corporate Partner of the Year is an organization that has provided significant financial support to the Foundation for Springfield Public Schools, Springfield Public Schools, and has made a time commitment of significant impact. Our friends at Kum & Go have become one of our close allies in providing support to classrooms across the district.

In 2010, we partnered with Kum & Go for the Gallons for Growth event. A 24-hour fundraising event, that today has raised over \$65,000 to support our classrooms!

Kum & Go not only provides this incredible financial support, but their employees show up each year to help us spread joy to teachers and students across the district on Back to School grant day!

SCHOLARSHIPS & NEW FUNDS

The Foundation for SPS manages approximately 150 funds and scholarships that provide resources to students and Springfield Public Schools.

In May of 2021, the Foundation for SPS awarded \$115,400 in scholarships for students to continue their education after high school.

This year, we added new funds to the FSPS. These funds were established to help provide resources for students and continue to promote educational excellence.

B.J. MARSH TOURNAMENT OF CHAMPIONS KIDS TICKET FUND

B.J. Marsh was one of a kind! He moved to Springfield in 1958. He worked multiple jobs during his time in Springfield and served as a high school and college basketball official. In 1972, B.J. began running trips to sporting events and this led to the creation of Marsh Travel, where he ran escorted motorcoach tours throughout the United States, Mexico, and Canada until his passing. B.J. was elected to the Missouri House of Representatives, where he served six terms stemming from 1988 through 2009. B.J. was committed to doing the right thing and making those around him happy.

B.J. loved the game of basketball. His family established the fund as a way to honor his memory and provide an opportunity for students to experience one of his greatest loves, the game of basketball.

The purpose of this fund is to provide kids who most likely would never be able to attend the Tournament of Champions free tickets to the event. These students will be selected by the Springfield Public Schools Athletic Office.

BOB BILYEU ENDOWMENT FUND FOR PARKVIEW SPEECH & DEBATE

Alumni from Parkview High School rallied together to raise funds and establish a fund in honor of an educator who made a tremendous impact to their education, Mr. Bob Bilyeu. Bob worked in Springfield Public Schools for over 20 years at Parkview High School, home of the Vikings, as the Speech & Debate coach!

A former student said, "We wanted to establish a fund in his name because he was so impactful to so many! We were honored to be able to share the fund with him during a reunion with different classes of Vikings- all of which were touched by him!"

The fund will provide additional resources to support the Parkview High School Speech & Debate program and students to participate in speech and debate activities.

COLE DAVID TEDFORD MEMORIAL SCHOLARSHIP

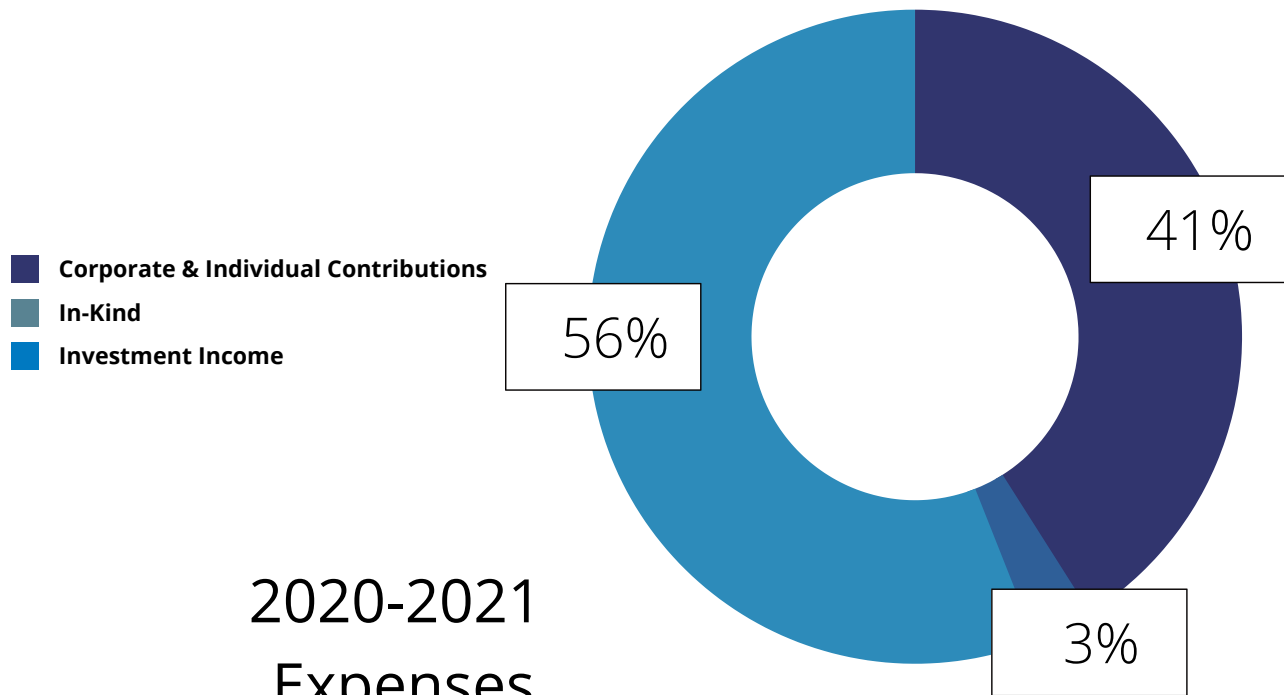

Cole David Tedford was a senior at Glendale High School before he unexpectedly passed on Saturday, October 17, 2020. He loved all sports and was a member of the Glendale High School Varsity Wrestling team. A fellow classmate said, "He was super passionate about wrestling and super passionate at every sporting event. You know when you would go to a football game, a basketball game or volleyball game he was the one in the front row cheering everybody on."

The Cole David Tedford Memorial Scholarship will provide support to a Glendale High School student who plans to attend a university, college or trade school. The fund was established by family and friends to honor his memory.

OUR DONORS

The Foundation for SPS relies on the generosity of the many donors who make our programs possible. Through designated gifts, gifts to funds and to scholarships. The FSPS continues to place the value of public education high. Thank you to the many people who have made this year a success!
